

**Halloween Dream**  
**By Richard Eaves**

**Based on the paintings of Albert Pinkham Ryder and Edvard Munch**

**If you come around here  
In the dead of the night,  
I promise you'll see  
A terrible fright.**

**You'll see a scary rider  
On a pale horse  
Circling round and round  
On an endless course**

**Around and around  
The rider goes.  
And where he will stop  
Not even he knows.**

**If you come around here,  
You'll want to scream,  
But it does no good,  
In this ghoulish dream.**

**Don't come around here  
In the dead of the night,  
I promise you'll see  
A terrible fright.**
