

Fire Engine Fred Saves The Day

Lesson Plan

Grades K-1

Vocabulary

Words of Interest: soot, grime, maintenance, swaggering, anticipation, billow, ruckus, appreciation

Lesson: Main Idea

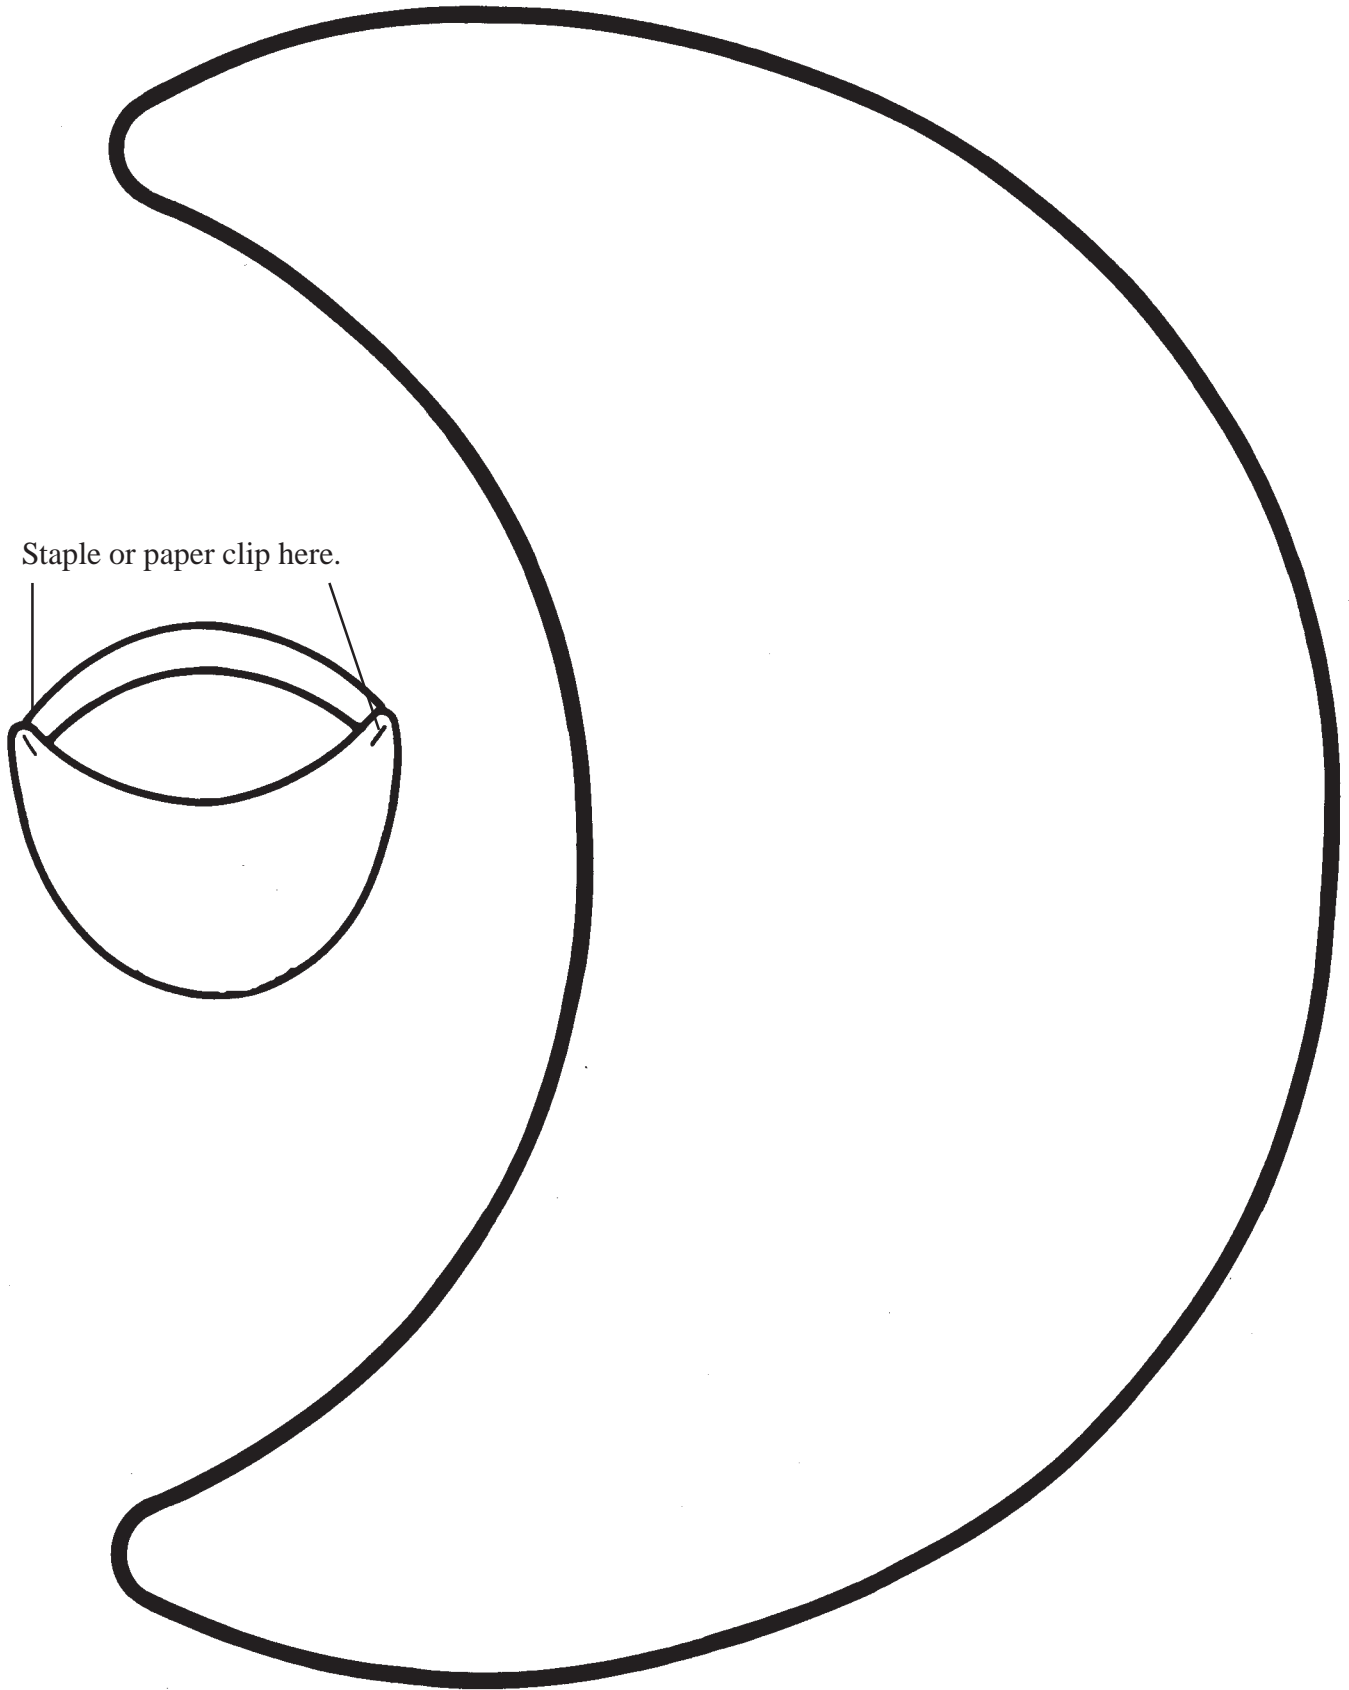

Materials: visor pattern, stapler, markers/crayons, red construction paper, scissors

Lesson

Students will make a fireperson's hat and write the name of the book on top of the visor. Kindergarten students may draw pictures of how Fred saved the day under the visor. First graders may illustrate and write how Fred saved the day under the visor.

While wearing their fire hats, students will be able to tell the title of the book or the main idea when asked throughout the day.

Fire Engine Fred Saves the Day - Visor Pattern (Staple a head band on both sides of the visor.)

Staple or paper clip here.
