

How the Seed
became a
Tortilla

By _____

www.mightybook.com

First, the farmer
planted a seed in the ground.

seed

Then, a sprout
grew from the
seed.

sprout

Next, a plant
grew from the
sprout.

plant

After that, an
ear of corn grew
on the plant.

corn

Then, masa was ground from the corn.

masa

Next, a tortilla
was made from
the masa.

tortilla

Finally, I got to
eat the tortilla!
